To Laura

From Louis

If I should die, this house is yours,
A little money, too;
It's but a poor reward I make
For all this care from you.

And though you take a second mate,
And think that man the best,
I would not change---if dead men could---
One word of this bequest.

Would that I could bequeath to you
My joy in earth and sky,
Worth more than gold or precious stones,
To be remembered by.

Gentlemen: ATTENTION OF THE PRESIDENT

Wholesale concerns cover the country with their traveling representatives. Their motor transportation is a considerable item in your costs.

Do you know that many of the big executives of industrial concerns, bank presidents, salesmen, etc., use the Hertz Drivurself System, by which they can secure high grade cars in all of the principal cities and towns in the United States without making a deposit and without red tape or delay?

The Traveler's Courtesy Card, which is issued free and without obligation, places this service at their disposal. The rates are as low as 9¢ a mile for Fords and 14¢ a mile for six cylinder sedans.

If you have twenty or more men in the field, we can give you a 15% discount on these extremely low rates. If you have only four men traveling, we can give you a 10% reduction. It will be only a matter of a few weeks until all of the big concerns in the country will be using this convenient and economical service.

Our coupon books, similar to those used by the Standard Oil Company at their gasoline stations, secure you the above-mentioned substantial discounts. They make it unnecessary to be laying out cash for transportation in all of the different cities and towns your men cover.

Enclosed you will find a number of applications for yourself, your other executives, and your traveling representatives. Please have them filled in and returned to us. The Courtesy Card will then go forward and your entire force will be equipped to take advantage of our money saving and time saving service. Additional application blanks will be gladly furnished on request together with any further information you may deem necessary.

Yours very truly,

UNITED STATES

DEPARTMENT OF THE INTERIOR

INDIAN FIELD SERVICE
Eastern Navajo Agency,

Crown Point, N.M.,
February 29,1928.

Mr. John Becker, Sr.,

Belen, New Mexico.

Dear Mr. Becker:

Mr. Joe W.Moore, Stockman, this Jurisdiction imforms me that on Saturday, Feb.12, 1928, while traveling in his car between San Antonio and Hot Springs, N.M., and while turning a sharp corner on the Highway, you came up from the opposite direction and traveled on the wrong side of the turn.

Mr.Moore states that he had but one choice to avoid what might have been a serious collision and both cars may have been badly damaged, so he took to to the side and had to run into the bank on the side of the road. This smashed the Ford driven by Mr.Moore, but saved your car.

The repair bill for the Ford (Agency) car was $13.45. It would seem proper request for us to ask you to pay this bill as it absolutely saved you from any damage to your car, and further that you were travelling on the wrong side of the road. Had you been on the proper side of the road, no damage would have been done to either car. We will appreciate your reply to this little business matter.

Very truly yours,

S. F. Stacher

Dear Maureen:
Finally, here is the material I Promised you about L.C. Becker. It tells quite a bit about John Becker But that just adds to your "body of knowledge".
Page 4 the statements are:
Mr. Becker is He is He is
which tells me this information was obtained from L.C. himself and should be accurate.
Mr. L.C. had a stroke---can't remember the year. He was not active in the bank for many years.
A Mr. Amos was the first person to act as President in his place.
Jim Foley would probably have that information. Mr. L. C. Becker died January 1, 1971.

The brass plaque for the delivery wagon is still forthcoming.
Sorry I take so long.
